III. Exhaustion of Administrative Remedies

You are required to exhaust all your available administrative remedies before bringing an action in federal court.

A. Is there a grievance procedure available at your institution?

YES () NO () If there is no grievance procedure, skip to F.

B. Have you filed a grievance concerning the facts in this complaint?

YES () NO ()

C. If your answer is YES:

1. What steps did you take?

2. What was the result?

3. If the grievance was not resolved to your satisfaction, did you appeal?
What was the result (if there was no procedure for appeal, so state.)

D. If your answer is NO, explain why not:

According to the United States Constitution Article 4 Section (1)
Says: Full Faith and Credit shall be given in each State to the public Acts, Records, and
judicial Proceedings of every other State. And the Congress may by general Laws prescribe
the Manner in which such Acts, Records and Proceedings shall be proved, and the Effect thereof.

Article 4 Section (2) states:

The Citizens of each State shall be entitled to Privileges and Immunities of Citizens in the
several States.

Due to the false allegations of this said case of Agg. U. U. W by Felon & Six Counts an
Armed Habitual Criminal Act, and also the cases that were thrown out I've been violated of
my Constitutional Rights of Amend 4, and 14, & 9.

Which clearly state's:

Amendment (4): The right of the people to be secure in their persons, houses, papers, and
effects, against unreasonable searches and seizures, shall not be violated, and no Warrants
shall issue, but upon probable cause, support by Oath or affirmation, and particular
describing the place to be search, and the persons or things to be seized.

Amendment (14):

Section (1): All persons born or naturalized in the United States, and subject to the
jurisdiction thereof, are citizens of the United States and of the State wherein they reside.
No State shall make or enforce any law which shall abridge the privileges or immunities of
citizens of the United States; nor shall any State deprive any person of life, liberty, or
property, without due process of law; nor deny to any person within its jurisdiction the
equal protection of the laws.

Amendment (9)

The enumeration in the Constitution, of certain rights, shall not be construed to deny
or disparage others retained by the people.

Furthermore, my case is clearly to be understood as an unconstitutional arrest and treatment
to a human, a citizen with the rights to be treated equal and fairly by all law enforcement
with the concerned help of the laws of the land under the United States Constitution.

I hereby as a citizen of the United States of America I am asking to be served under the act
of Justice.

Facts Of Observation & Compared
To Criminal Law

Officer View:

On 8 - 06 - 07 C P D observed parolee George R01690 in line at the gas station and upon a/o's entering the gas station observed parolee leave the line and start walking away from a/o's. A/o's entered the gas station and P O Poradzisz observed parolee place a black hand gun on the shelf in the aisle.

My View;

I walked down an aisle from the store clerk to purchase a few items never knowing or having knowledge of the police, only to purchase a few more items that I had forgotten because I was shopping for somethings.

Search & Seizures Key(2)
Criminal Law

Looks, Gestures and movements, taken alone, are insufficient to constitute probable cause to search since they may, in fact, be consistent with innocence; it is only when the furtive gestures are couple with other circumstances tending to show probable cause that the suspicious movement will be included in the basis for finding probable cause for a search.

Officer View:

A/o's ordered arrestee to put his hands in the air at which time arrestee pushed P O Paradzisz in attempt to flee the scene. P O Webb then attempt to apprehend arrestee and arrestee began to flail his arms and kick the a/o's in an attempt to defeat the arrest. A/o's used an emergency take down to get the arrestee to the ground and P O Paradzisz used his expandable baton and OC spray and P O Paradzisz used his baton to subdue the arrestee.

My View:

After I walked down the aisle I went to grab a bottle of water when I herd someone yell raid. As I turned around I was ordered to get down on the ground with my hands in the air. I told the officer that I couldn't due to a slight asthma attack which would make matters worse. So I proceeded to walk towards the officer with my hands in the air to show him I was clean of contraband and to cuff me because I could not drop to the ground. That's when one of the officers grabbed my arm and extended his baton and beat me from my waist down while the other officer had jumped on my back and sprayed me with pepper spray which made my breathing worst, while breathing slightly, the same officer started punching me in my head repeatedly. This beating lasted for about 15 mins. to about 20 mins. before the uniform officers arrived which I had fallen to the ground a few min. before due to the survere pain in my head to my lower legs. While on the ground I was still being beat until the police in uniform came, thats when I was cuffed and pulled to my feet to find out my my right ear and right above my right eyebrow was cut open and bleeding and my right eye was cut and closed shut due to the beating.

Probable Cause:

To believe that the defendant had committed or was about to commit an offense, one would have been notified by someone saying that there in an dangerous adverse situation or he or or her fit's the identity of a suspect that was involved in a crime that had transpired in in a specific location or observed a crime in progress in order to apprehend me. Looks, gestures and movements taken alone are insufficient to constitute probable cause to search since they may be in fact be consistent with innocence. There can only be when furtive gestures are coupled with other circumstances tending to show probable cause (such as open contraband or suspicious objects in plain view or prior reliable information), that the suspicious movement will be included in the basis for finding probable cause for a search.

Stop & Frisk On My Behalf

- 1.) Individuals suspected of criminal acts, no call or crime of the nature was made.
- 2.) No prudent person reasonably in the circumstances would be warranted in the belief that his or her safety or that others was in danger due to my present's.
- 3.) The authorized search is confined in scope to an intrusion reasonably designed to discover objects capable of use as weapons.

Officer View:

After a long struggle a/o's successfully subdued arrestee and were able to place him into custody P.O. Poradzisz recovered one Charter Arms Corp. undercover. 38 special, Blue Steel 2 "barrel serial #10248 which was fully loaded with five live rounds of 38 special ammunition from the shelf in the gas station. A/o's also recovered from arrestee's vehicle two screw driver's and an ignition from a vehicle. Parolee George was transported to the 005th district and read his right's.

I was charged as a Class 2 felon
U. U. W by felon

Constitution Law Key 262

Searches and Seizures Key 7(1))

A stop and thus a "seizure of a person," for purposes of the Fourth and Fourteenth Amendment occurs the moment the person's freedom to walk away from a police man is restrained, even though the restrained, falls short of an arrest; such restraint can be deduced from a showing of actual or threatened force on the part of the police officer.

Within the Seizure of evidence and arrest I wasn't read any right's of Miranda right's nor was there a print check on the gun and I also never signed any paper's for mirandad nor statement's.

This beating that I'm suffering from out of shock (bad dreams & cold sweats) took place after the death of a close friend that was murdered by the police June 29 2007 by the police on a 114th and Stewart. I also had on a T-Shirt with his picture and memorial on it. Which the arresting officers where telling me I was lucky to be in the gas station because matters could have been worst. CPD also was harassing me and others daily with these T shirts by stating whom are packing a gun If we don't they do!

My friend name was Huebert Bergs he was shot down in a traffic stop.

Affidavit

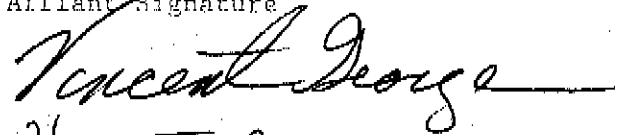

I, Mr. Vincent George #20070069726, depose and state under oath Pursuant to the Penalties As Prescribed Pursuant to Chapter 735 Ilcs 51, 1-109 that the following facts and circumstances are true and correct and made upon personal knowledge and belief. And if I was called to give testimony on my behalf. I would state the following below.

- 1.) On August 06, 2007 I entered the gas station with a friend. I walked through the aisles looking for a variety of snacks. And once I found the things I was looking for I approached the cashier and gas station attendant to purchase my items and gas when I started to haze and slightly grasping for air. I was having problems with my asthma.
- 2.) So I got out of the line to go retrieve some bottles of water. And while walking down the aisles I heard someone yell "Raid" and I was obstructed to put my hands in the air and to get down on the ground.
- 3.) So I turned around to tell the officer that I didn't have anything and that I am in the stage of having an asthma attack and if I get down on the ground it will make matters worse. So I told the Officer that he can just put the handcuffs on me. And As I walked towards the officer to let him put the handcuffs on me, another Officer attacked me from behind and jumped on my back while macing me.
- 4.) The Officer on my back began to choke me, so I panicked and began to move around hysterically. So while he continued to mace in my face he also started to hit me in my face also, the Officer in front of me grabbed my arm and my wrist and unfolded his baton to beat me from the waist down while the Officer from the back was still beating me in my face and head with his fist. And this lasted for about (15) minutes, while I was trying to cover up from being attacked while being knocked to the ground from the attack.
- 5.) I then fell to the ground going into shock due to lack of air and the severe pain from my head down to my lower legs. The beating stopped when the uniform officers arrived. Then I was put into the paddy wagon.
- 6.) I had asked to go to the hospital when I arrived at the police station. I was bleeding from my head, ear and mouth and lower leg. My body was in pain; My back, ribs, knees, and lower legs were in pain and I was constantly grasping for air because of my asthma and mace which was used to blind me while the officers beat me. The officers only put water on my face and gave me two (2) cups of water while they were interrogating me in a circle of officers outside the police station at 111TH and Ellis. Then I was taken in the station and confined to a bench where one of the arresting officer was fabricating the police report and read me my charges. This is when I found out they put a gun on me in order to Justify their actions.
